

Riviera 39 Open Flybridge

POA

Description

Riviera 39 Open Flybridge: motor yachting under 40-feet re-imagined

Introducing a new style of motor yacht that, just like her flagship, is incredibly nimble. A joy to skipper and handle. Superbly powered and structurally strong. She's been made for family yachting adventures.

We've christened this stunning new creation the Riviera 39 Open Flybridge. She is an enviable combination of class-leading sports inspired looks, performance, open flybridge and sports-influenced open cockpit.

An Open Flybridge under 40-foot capable of spirited you and the family away for adventures in comfort, safety and luxury. With an advanced new broad beam hull and deck design making so much more possible.

50 Waterway Drive Coomera QLD 4209

On the accommodation deck, luxuriate in two generous, superbly appointed staterooms and a designer bathroom. Saloon living is spacious and comfortable. Silky smooth twin Volvo D6 IPS turbo diesel engines are at your command from the main or day bridge helms.

The Riviera 39 Open Flybridge. Luxury motor yachting re-imagined.

The wide beyond extends from here

This is a 40-foot luxury motor yacht that promises so much. So many destinations near and further afield. So many special entertaining possibilities. So many unforgettable adventures.

It all begins from the moment you step aboard from the marina, swing open the transom door and step into the wide, welcoming cockpit. An area expertly designed to impress on first appearances. Yet enormously practical over any number of memorable cruises.

Generous proportions attest to the success of the broad beam deck design. It's easy to picture the whole family seated in style and comfort on luxurious fixed and optional seating. You can also see them having the time of their lives sports fishing, swimming, diving or kayaking from this functional space.

Feeling peckish after all the activity? Set across the transom and facing forward, you will find the gourmet LED-lit barbecue centre with sink and food preparation area. It's hard to imagine a better spot to gather, relive and share all those water-bound moments you've just shared...

Below the barbecue centre discover a handy storage compartment large enough to store your tender outboard, oars, fenders, lines and fishing rods. Speaking of clean clever design, forward to port a comfortable lounge comes with a cool box underneath and a refrigerator or freezer option. On the starboard side, an ice-maker is housed in its own compartment and a storage or fish bin is built into the cockpit floor.

It's typical of how Riviera build more thought and pleasure into every onboard experience.

Specifications

Boat Details

Price	POA	Boat Brand	Riviera
Model	Riviera 39 Open Flybridge	Length	13.27
